

CodeOn! 01/30/2019: R and Rstudio

**Are you a biologist with more data than you know what to do with?
Do you wish you were more familiar with common programming
methods for the life sciences?**

Then come and join CodeOn! We're a community of data science learners committed to developing computational skills among Keck students.

We're starting off the Spring 2019 semester with an introduction to the R programming language. We'll be hosting gatherings every other week. Details below!
